

# A Trip Like No Other...

in the beautiful  
**North West Highlands**  
of Cameroon

The North West is often considered the most beautiful and interesting region in Cameroon.

It boasts crater lakes and waterfalls... mountains, valleys and rock formations...forests, plantations and traditional culture.

The climate ranges from hot to cool, wet to dry, while plant and animal species are plentiful.

Plus, experiencing traditional culture is like stepping back in time...

## Customized Tours

Planning on visiting the rest of beautiful Cameroon?

Get off the beaten track with  
 BERUDA's eco-tours!

## Home-Stay Experience

**BERUDA** (formerly BERUDEP) is a grassroots not-for-profit development organization with a mission to eradicate poverty and raise living standards for its local community.

Cameroon's North West Region lends itself naturally to eco-tourism and BERUDA's tours and treks help the poor benefit from tourist interest.

Our home-stays and guided treks take travelers looking for true culture and landscape off the beaten path, offering some of the most unique experiences in the world.

**Fetch water with the children.**

**Pound fufu corn for dinner.**

**Cook over a traditional fire and eat with the family.**

**Shop at the local market.**

**Share stories from long ago around the fire...**

The first of its kind in Cameroon, BERUDA's home-stay experience allows you to choose your village, length of stay and activities with one of the most cultural trips around!

Let us show you real deep-rooted Cameroonian tradition—experience rural life first-hand and participate in the traditional daily life of a Kom or Muslim family.

## Bee-Keeping

BERUDA is Cameroon's first expert organization in bee-farming and honey production training.

We host bee-enthusiasts, bee-keeping groups and research experts interested in learning about the African honey bee and traditional bee-keeping practices.

We provide any number of bespoke tours and activities for the avid bee-enthusiast.

Learn about the African honeybee and its vital role in the environment, or participate in the following bee-farming support initiatives:

- Plant bee-loving trees with local farmers
- Visit local apiaries to learn about bee-keeping
- Build & donate hives to local farming groups
- Home-stay with a local bee-farmer family
